8+

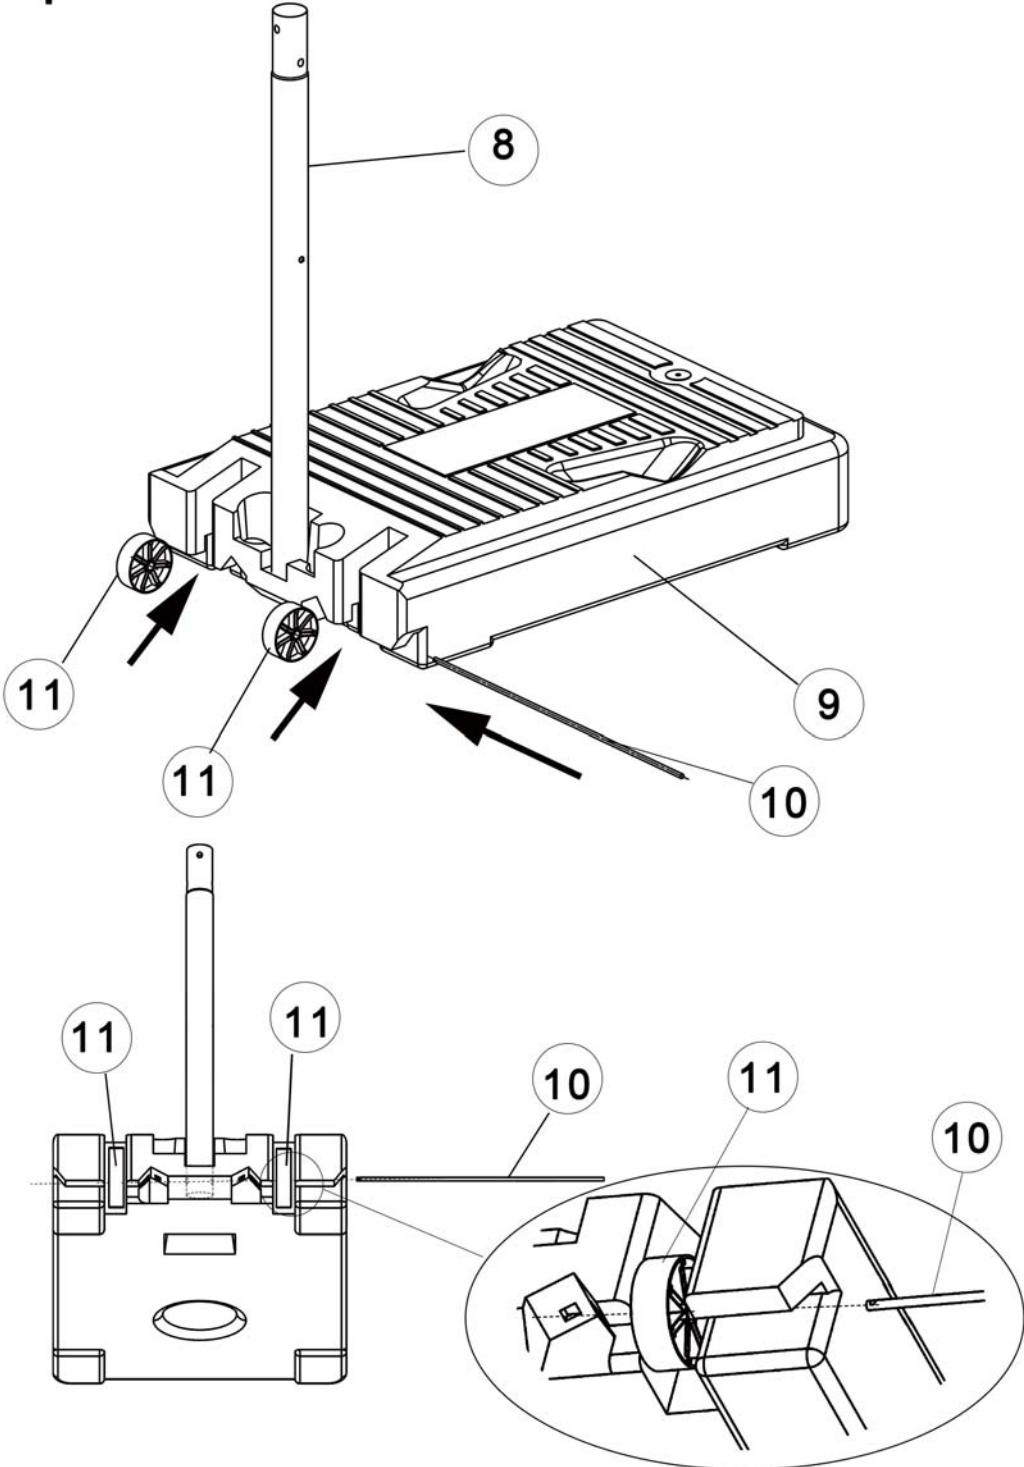

WARNING!

- This basketball stand is for domestic use only and not for commercial use.
- Fill the base of the basketball stand with water or sand to prevent the stand tipping over.
- The surface should be smooth and free of sharp objects that could damage the base.
- Do not play with the stand when weather conditions do not permit this especially in windy conditions.
- Set up the basketball stand on a level and firm ground.
- Do not stand or hang out of the rim or any other components.
- Do not wear jewellery while playing which might get caught in the net or catch it on other components.
- Do not allow children to move or adjust the basketball stand.
- Check the product before each use for stability or damage.
- Make sure all the bolts are tightened before each use.
